BRIEFING ROOM 1
Currently, there seems to be some turbulence above the Pacific Ocean. However, it shouldn't have any effect on the flight.
I'll be counting on you during this 10 hours flight to Los Angeles International Airport
Yes

So noisy
What's the matter? Making such a face
Oh, Yazaki
Perhaps he's interested in someone here
Kyaaa!
Wasn't he in the America D Flights?
Why did he end up here?
Captain Narumi is so nice—
What?
Did something happen?
So there was something
So easy to understand.
Rather than something...
.....
So you're talking about Narumi too?
Mashiba-san. If I remember correctly you also worked in D flights, right?

Until 3 years ago, I was living with Narumi Eisuke
Marriage?
Yeah
The president formally approved it
So you officially had your hands on his daughter
I see
Not really...
Sorry

It's not as if we made any promises
Isn't it fine? Marrying into money
It was just convenient for both of us to be together.
You'll be the next president then
A guy who chose a rose coloured future instead of an uncertain future.
Congrats.
It's time to break up then

What about it—
It has nothing to do with me.
I don't care.
Here's your coffee.
Thanks.
Thank you.

It has been 2 months, huh?
To tell the truth, I'd rather avoid flights to Los Angeles.
①On top of that, it had to be with Eisuke this time around
Kaoru!
Hey, Steve!
Sorry to call you all of a sudden like that
You seem to be doing fine.
Don't be so cold!
We were colleagues after all!

Speaking of colleagues, the pilot Mr Narumi
Did you know?
W-What?
I heard he divorced and went back to Japan
Divorced?
No way, didn't Mr Narumi contact you?
Weren't you guys very close?
You were housemates, right?
Ah, yeah?
"Let's just say we're house-mates.
Even if gays have civil rights in Los Angeles,
It could still have an impact on one's career."

Whatever
Huh?
That kind of guy divorced?
I wonder what happened, it's such a shame
He had it all planned out already
Or rather
"Serves him right I guess"
Room for rent

TURNS
TURNS
Just because it's unoccupied,
I guess it won't open
PASSES...
Hmh
CLACK
!!

You didn't keep a spare key?
So careless...
Ei...
Come in?
Why... is he here...
.....
...!

Don't be absurd
Even though it's not an apartment for singles, the door is so narrow
Aah, we'll have to pay for that afterwards...
Thud
Or would you prefer a one-person bed?
See
No way
I'm going back
You're not coming in?
There are too many happy memories here

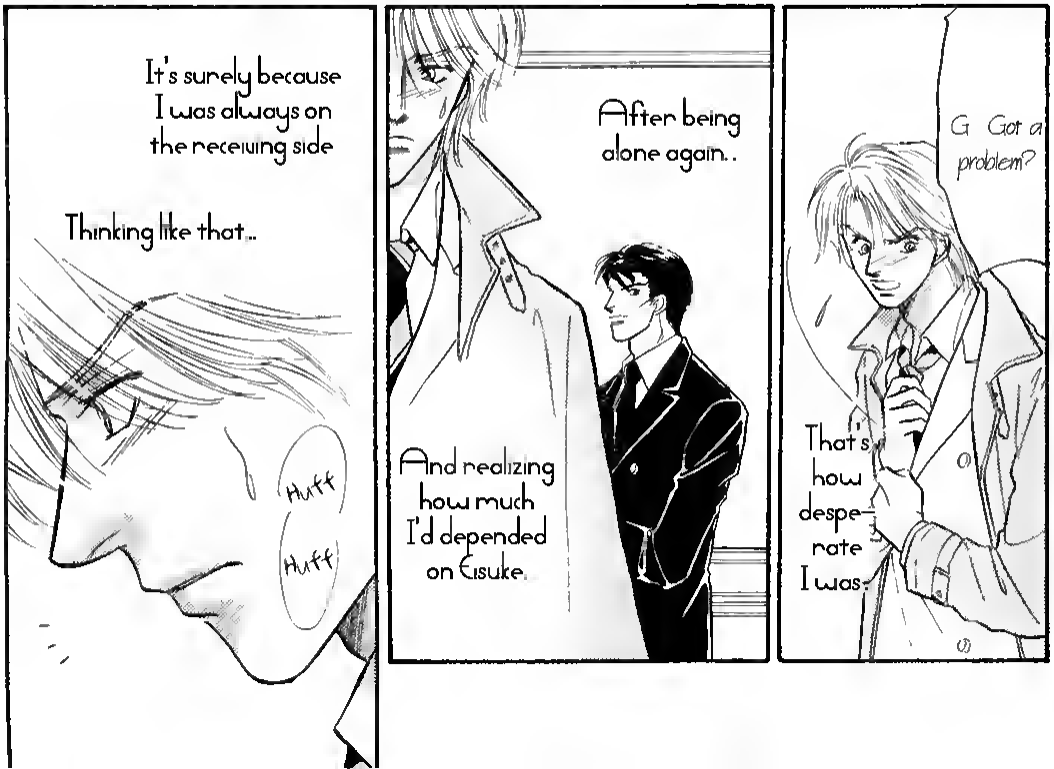
GRAB
WAH!
Wh-...at...
lifts
!!

Ha
BITES
Mm!
W-what are you doing?
What you ask?
Arent you mine?

That's old news!
We broke up three years ago, remember!
Aah
True
But,
Since we like it, isn't it fine to play together?
There's no problem right?
Pissed
Pick up

That's because you talk of others as thought they have no principles!
You're still as fast at using your fists
!
Let go!
Hmm
.....
Even if it were true,
I'd never feel like playing around with you
Isn't it true?
OUCH

*Note. tachi, the seme role in a male/male relationship, the dominant one during sex

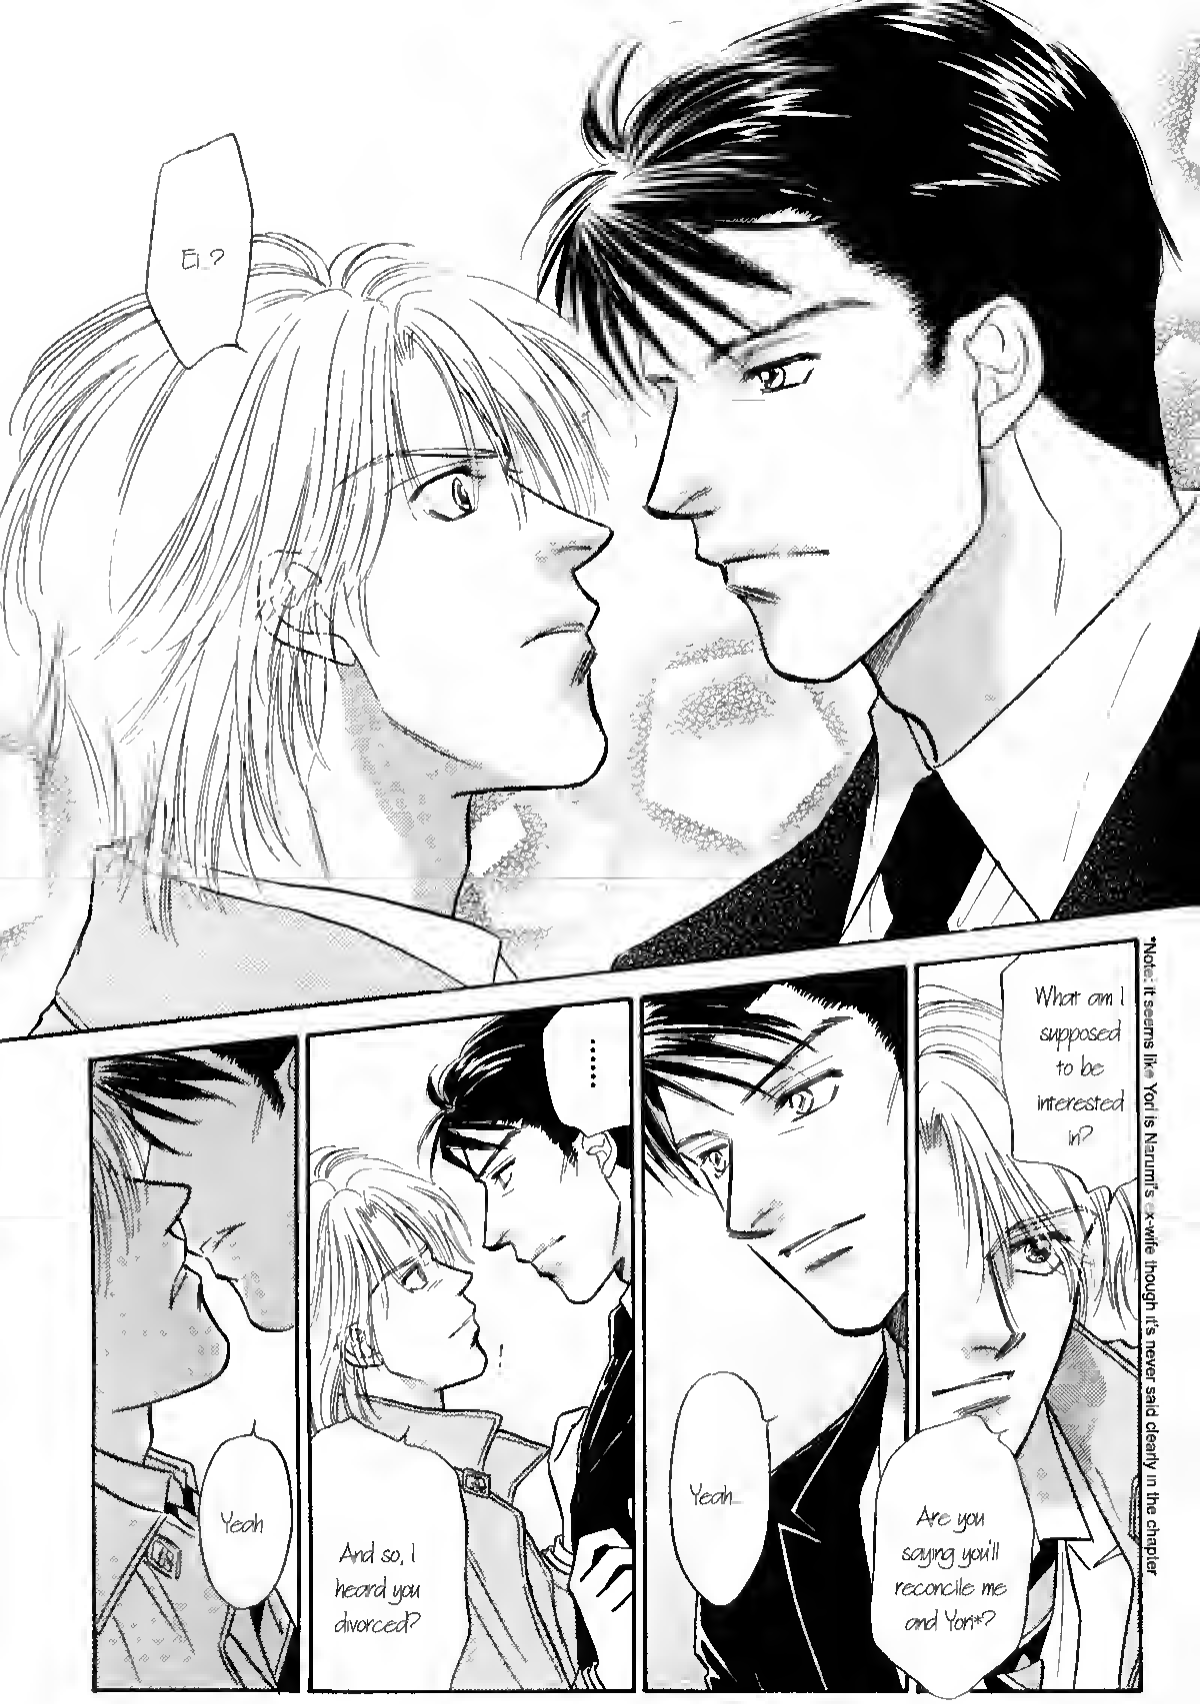


It's surely because I was always on the receiving side
Thinking like that..
Huff
Huff
After being alone again..
And realizing how much I'd depended on Eisuke.
G Got a problem?
That's how despe-rate I was-

Eh
Startled
WHAM
Wanna try it out?
Let's see whether you've really changed
Sto-...
Shivers
ENDLESS

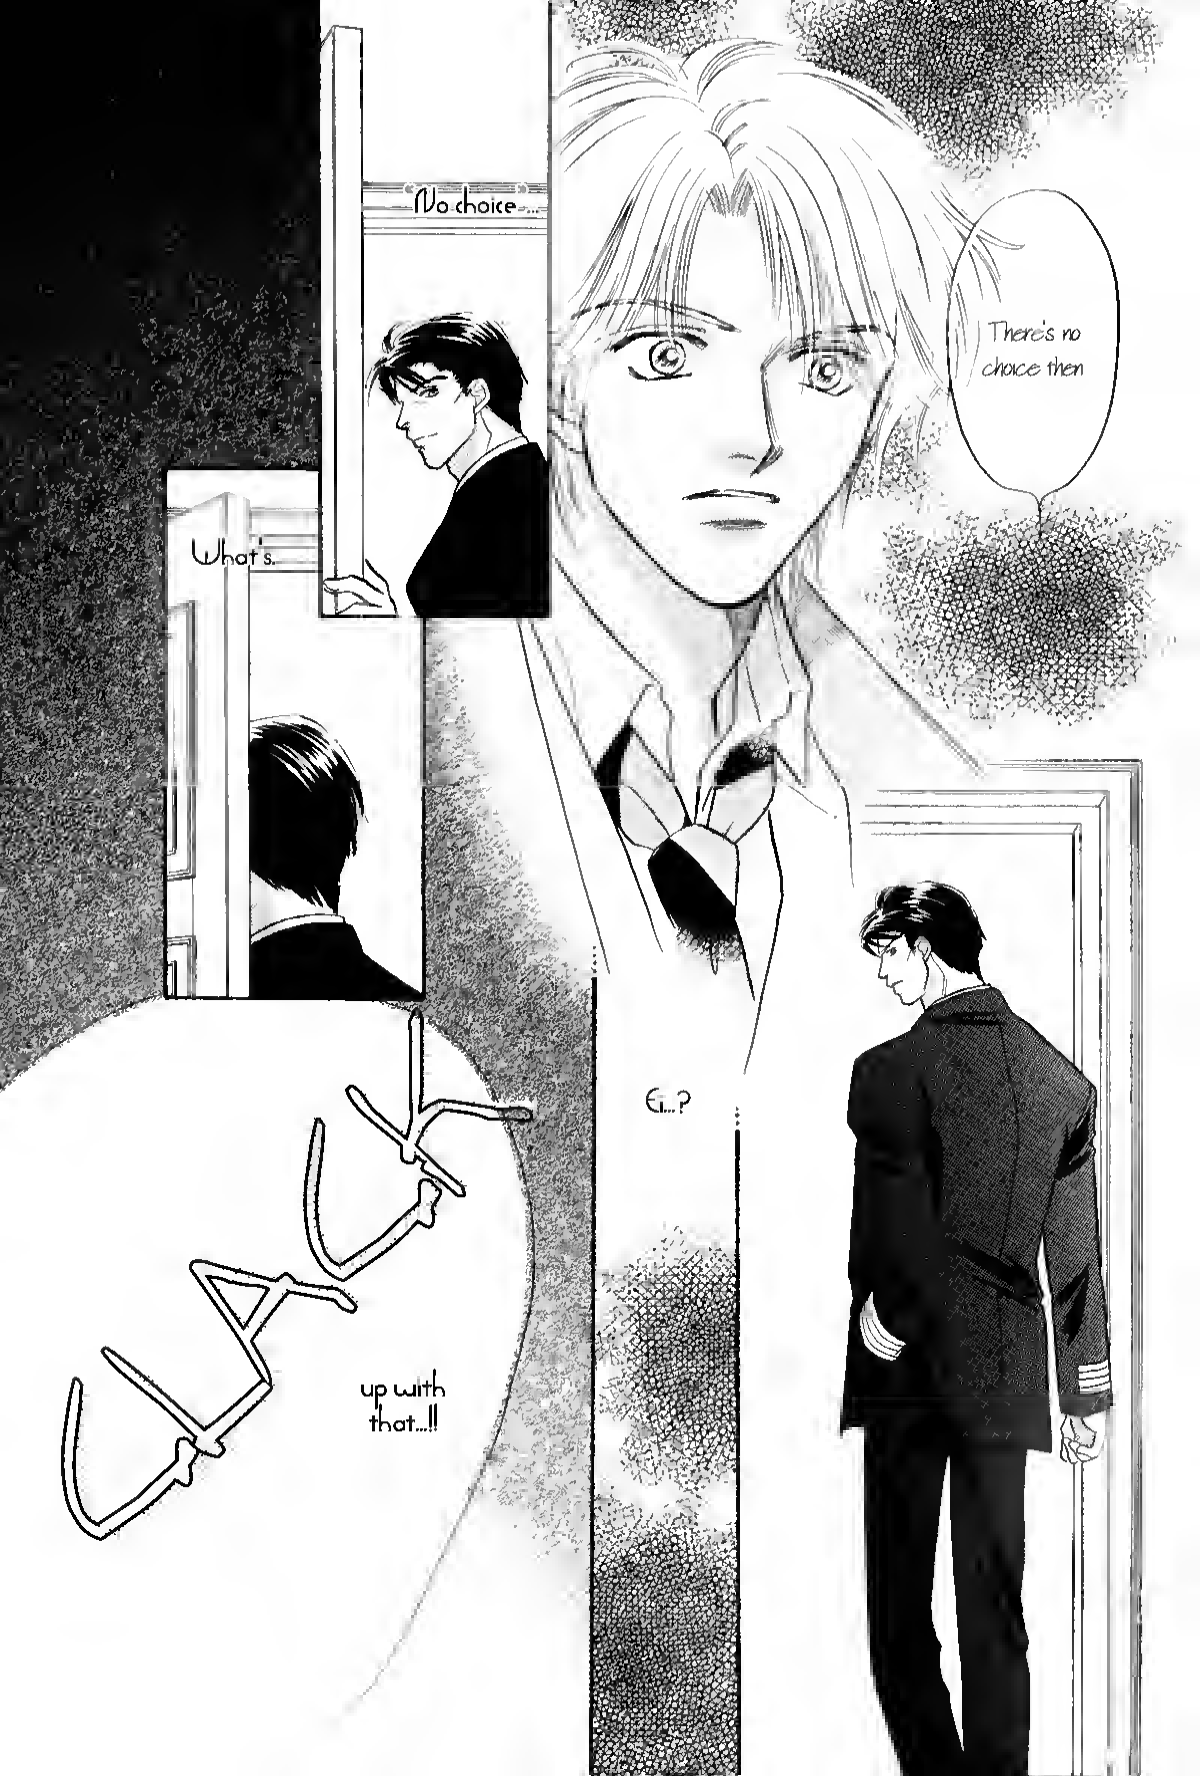
Ugh
Nn!
And here
They're all your weak points
Here too
You liked having your nipples fondled, right Kaori?
Ah!
You didn't change at all, did you?
There's no need to hide it
You couldn't forget it, right?
Damn!

My body... remembers Eisuke.
It still... hasn't forgatten...
You're finally being obedient
...Just do whatever.
...Aren't you...
...In the least interested as to why I'm doing this?
Ah...!



*Note: it seems like Yori is Narumi's x-wife though it's never said clearly in the chapter

Shoves away
Don't joke with me!
I'm not yours anymore!
Stop playing with me already!
I see
Huh..?



No choice...
There's no choice then
What's.
Eh...?
CLACK
up with that...!!

FALLS
Even though... I did my best to forget
Damn!
It's as though I never forgot!!
As stubborn as usual, huh.
!?

W why?
I'd only gone out of the door
!?
Had I not done that, you wouldn't have admitted it, right?
You...!!
CLICK

WHACK
I want to start over once more
Huh?
Be it now or before, I'm fully aware that I deserve being punched for what I did
C, Couldn't you dodge ?!

For real?
What's... that?
Didn't I say it earlier?
That I divorced in order for you and Yori to reconcile
O...
You really don't trust me.
Of course!!
A guy like you, who only thinks about his career advancement...

I love you.
Kaoru
Eisuke

Nn
Uh
As expected Kaoru is the best
grabs
Ahl
THRUSTS
THRUSTS
THRUSTS
Me too
If it's not Eisuke I can't do it
M...

That day
When you saw me, you were crying right?
No matter how I think about it, I don't get it
but why?
did you suddenly decide to reconcile Yori and me?

It was about 2 months ago
Ah
That time
Even though you were smiling when we broke up
After thinking about it, I realized your true feelings
As well as my real feelings
.....
And you threw away your rose coloured life just like that?
I really can't believe you...
Really?

Really
I like it, that part of you that's such an idiot
Isn't it going to be rose coloured for the first time now that you're here?
For now...
Since it's mortifying
That time when they saw each other by chance at the airport
gulp
I'll just keep it a secret that on that day I had teary eyes because I'd caught a cold
